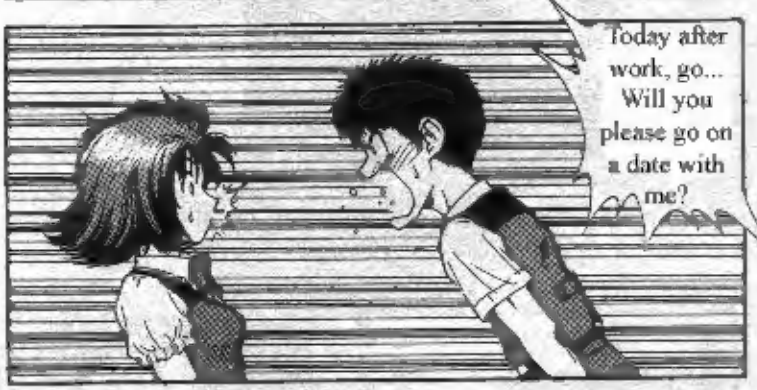
But right now ...
Eh?
Su-mima-sen...
But I might still find a nice girl while working at this diner...
I thought if I won the prelims I could fi-nally get one...

See ya later, yuugo -kun!
I'll wait for you beside the station at six
Huh ...?
I like that. Let's go on a date then
Shit, i-it's all over! I was too sudden!
Ah... ah! A-nou... lya...

Ya... Yat-ta...
"We are go-ing on a date"
"We are go-ing on a date"
"We are go-ing on a date"

I think he's just aimlessly jumping around
Ah, the newcom-er sure is quick on his feet
Yatta! Yatta ...! Yatta ze...!

Hai?
Ah, anou... Kaori -chan?



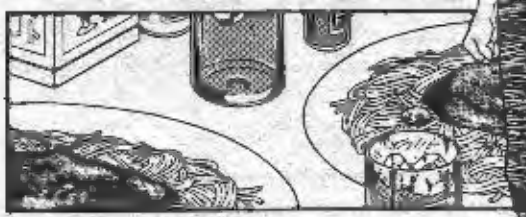
Today after work, go... Will you please go on a date with me?

You're quite for-ward, are-n't you?

Ah, he's been to the high school nationals, too
Because I've been to the nationals ...
Hey, that'd be me of course!
I wonder which one of you is stronger
Huh?

Yo-ho! Kaori-chan?
Isn't that ...?
I...
Last year ...?
Huh? 73 kg class?
I think he competed in the... 73 kg class. He was the Tokyo district rep last year...

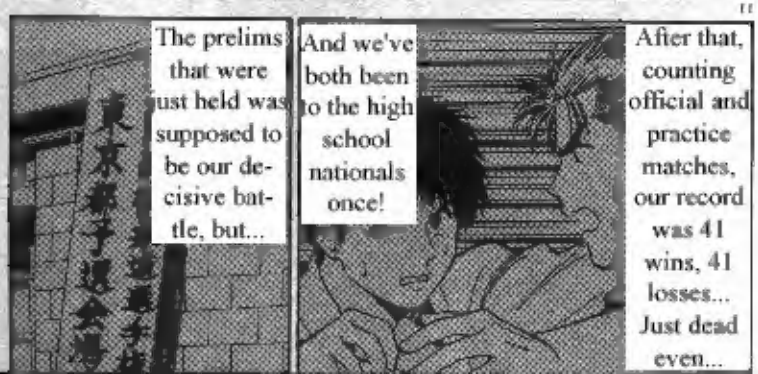
*Ceasar's Palace Cinema



We're ... eternal rivals ...!

Ah?

Two years ago, we first met in an open match



The prelims that were just held was supposed to be our decisive battle, but...
And we've both been to the high school nationals once!
After that, counting official and practice matches, our record was 41 wins, 41 losses... Just dead even...

!!
Fancy meeting you here!
Wah ha!

Who'd want to be friends with him ...?
Huh? What? Are you friends?
Seizawa Jyuugo...?!

He's the one I mentioned
Ah, Jyuugo!

Uh ...?

Michiba ... Naoyuki ...?

Bai bai!
Sono... Mata ashita ne!
ほわ,...
It's no-thing
Thanks for treating me out today, and taking me home
What is it?
... Oi!
What are *you* gonna do?
Well, if that's the case ...
Michiba, don't tell me you're interested in Kaori, too...

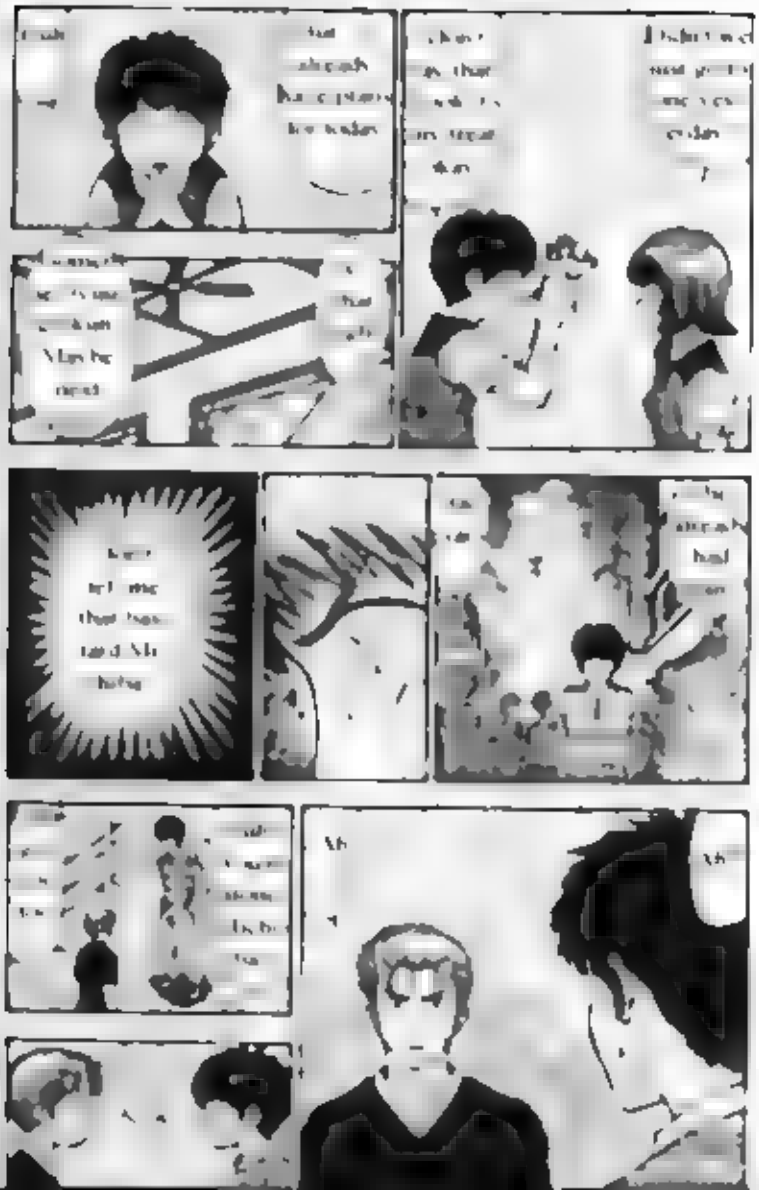
Shut the hell up! Someone who got beaten in the first round has no right to insult me!
Hey, don't be this way! In a place like this...
I never thought you'd get eliminated so quickly, you useless pile of junk!

Hai desu!
Okay ...?
Look at me, I'm asking you to stop...
Huh ...?

Ma-sa-ka ...

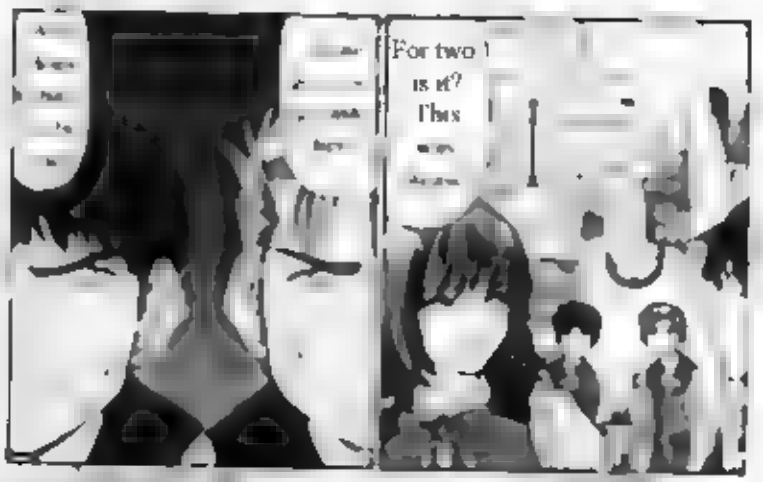
Let's do this instead
After all we didn't settle the score at the pre-lims...
Huh?
Let's do it!
You're joking, right?
See which one of us will get her...
You bas-tard ...!
Yeah! Run, co-ward!
!!
We can forget about settling matches
If you're not confi-dent en-ough...
18
Right back at you!
Alright, I'll make you regret you ever challenged me for the rest of your life!

Oh, a date? We did that, too
I asked her out, and she agreed at once!
Yes-ter-day
Uh?
Ah? Whatcha got to back that up?
Stay away! She's mine!
But, I still met her first so I'd say I'm one step ahead of you
Looks like we are even again
84
... Al-right ...!
You have no chance at this!
Kaori -chan is mine for sure

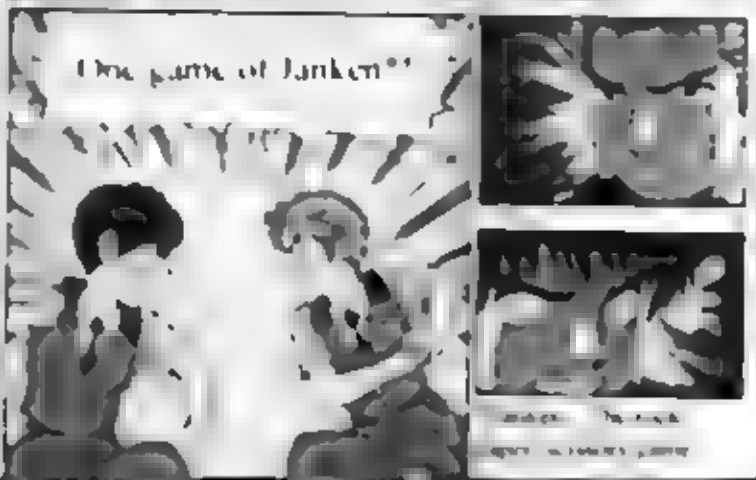


Let's
do it!

PART 2
Love's "Ippon" Match
(2/3)



For two I is it? This



One game of Janken**

Who was that, Kaori -chan?

crasshar-

After we get into college we can become cheerleaders their our chances to face off will increase
Heh you're right our conflict can only be best resolved on a fuck mat
Heh that's right
At this point we started seriously doing our jobs
But don't you feel cheated
Well you have a point
After as she and that guy haven't one steamed over
think She did not do anything wrong here
You're a calm bastard aren't you
she did nothing wrong
Everyone has a different approach to love If you thought about her situation
but
Let's call it a draw
this contest to see who'll win Kaori chan that is
Looks like we have a stalemate
Still it's good that we found out before our real feelings developed

Then came that

Unlike Michiba who sucked it up was unable to I couldn't help but feel heartbroken
and he thinks of other people's well-being
After breaking the rival barrier I found Michiba to be a

That's too much

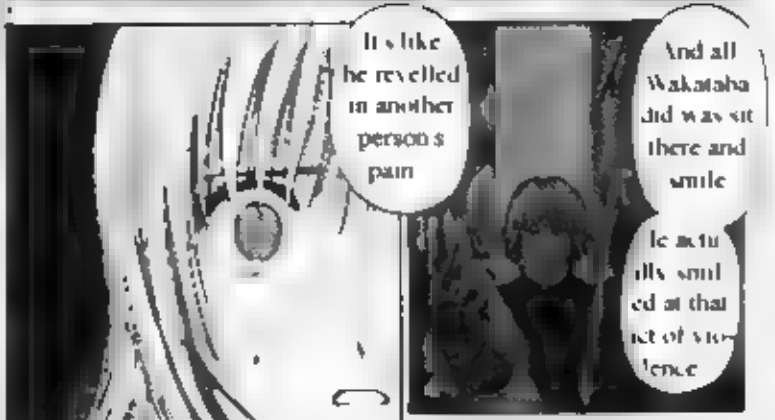
That's not right

Wa-kataba-kun He's
Jose Hara

Waka-taba-kun's not that kind of person
It can't be

He's even become the leader of a street gang
He's unafraid of anything. Does as he please
He thinks money is everything and buys his friends
He's the son of a rich family

It was just because of a small thing but they ganged up on him and he had to be hospitalized for a while
One of his kouhai even suffered under his hands



It's like he revelled in another person's pain
And all Wakataba did was sit there and smile
He actually smiled at that act of violence

17
I'm

Because taking you guys on would be a breeze for us
Uh

Waka-taba -kun
remained the only one in my heart

It'd be boring without you there
We'll decide just who the better man is
Let's do it!

PART 4

Scoop!! (1/2)

the one who wrote this, right?
Hmm?
!!?

Oh yeah, dad you know? Mizuki got in trouble once for that temper of his
trouble?
I'm giving you till the end of the day to give me something

Huh
This is it
Let's investigate this
But it's just a school newsletter
Shut up. Don't you want to put out a good scoop?!
Why do we have to be involved
Yosh! I mean let's do it
Hell that's a great idea
If we discover some dirt on Miyagi
If it doesn't matter as long as we get his point
But shouldn't it be "sword"?
My journalistic blood is boiling! After all the pain mightier than the
Let's see just who blackmails who!
I'm gonna get you

Then after a week passed by

That's all
Just this
Just that
Anything about that incident a few years back
No thing
Damn that's so boring
Never-mind Next, Itou!
How about you, Hon-jou? Did you find anything by talking him
I asked his brother and people from the alumni association
In the end I didn't get anything solid What could I do?
But I did
What did you say ?!
You should have re-searched it pro-perly!

This is not really enough

You want it

That's right
Ah

Oh you know me I'm so flattered
You're the journalism club's president Matsushima Yuriko

If was an affair
Wait a sec then that means

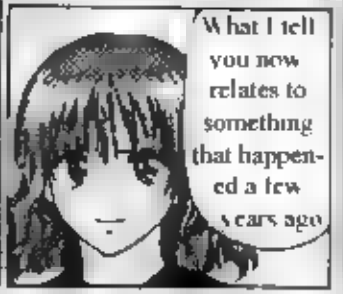
Hehe don t get too excited
What kind of person was she?
What the hell could she see in that old coot?
I bet that student didn t know about that

date a student you know?
He used to---

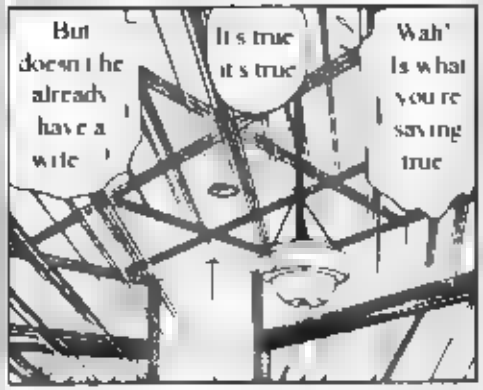
Promise me you will publish it completely uncensored and unedited'

So the details may be very controversial
Something years ago
!

Hu
Can you promise me one thing



What I tell you now relates to something that happened a few years ago



But doesn t he already have a wife
It s true it s true
Wah' Is what you re saying true

PART5
Scoop!!
(2/2)
!!?

But I got scolded everytime I wrote one
Yeah just like me and Miyagi-san now
Are we getting to the featur yet?
Not Matsushima sempai
You're the one who wrote this right
This week's news letter
What do you mean what I did that for?!
Whatcha do that for Miyagi sensei
I worded it perfectly, didn't I? It really ever catch me
Scoop: Love in the clinic M-kun (16) and T-chan (18) were caught in the act
What are you talking about? I already have started
Well now... You said you'd tell me about that girl that Miyagi dated and that incident didn't you
Tea time
You don't get it yet
Back then I could never resist writing a scoop
RESTAURANT

*sign - journalism club

Matsushima

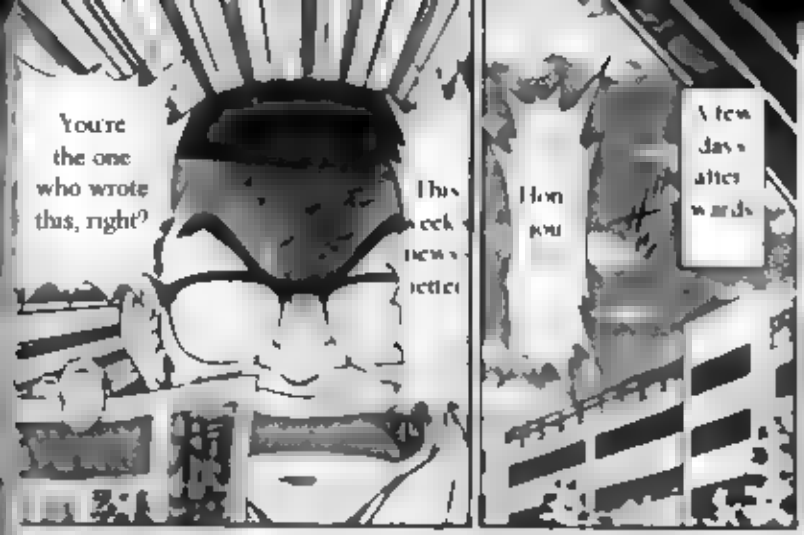
Drink
What you should've done was help this person. am I right
You made it all up didn't you?

we were married
before I knew it
Didn't you say you two had an affair
What are you talking about Atoushi-kun
Huh
You stole someone's husband
What
But to me I can call it an incident
So that's the incident
Right it was just a teacher disciplining a student a normal thing
I wouldn't call that an incident
Every time I saw him heard him
My heart'd palpitate my chest'd tighten
I'll always remember the pain I received that day
I loved him so much I couldn't contain it
Since I realized I confessed to him at once
And then
But when I understood it I knew it was love I was feeling
I don't know when



You're the one who wrote this, right?
This week's issue's letter
A few days afterwards
How you

You jumped to that conclusion yourself didn't you Atsushi kun?
and I never even mentioned the word affair!
No way Back then we were both single!

Yah That headline is a real attention-grabber isn't it
"Scoop! Love without boundaries! Miyagi senseis and a former student (23) got married, and are living a happy life"

Yeah, everyone'll see that he isn't just a temperamental teacher
So that's everything! Now you better honor your promise and publish this uncensored and unedited

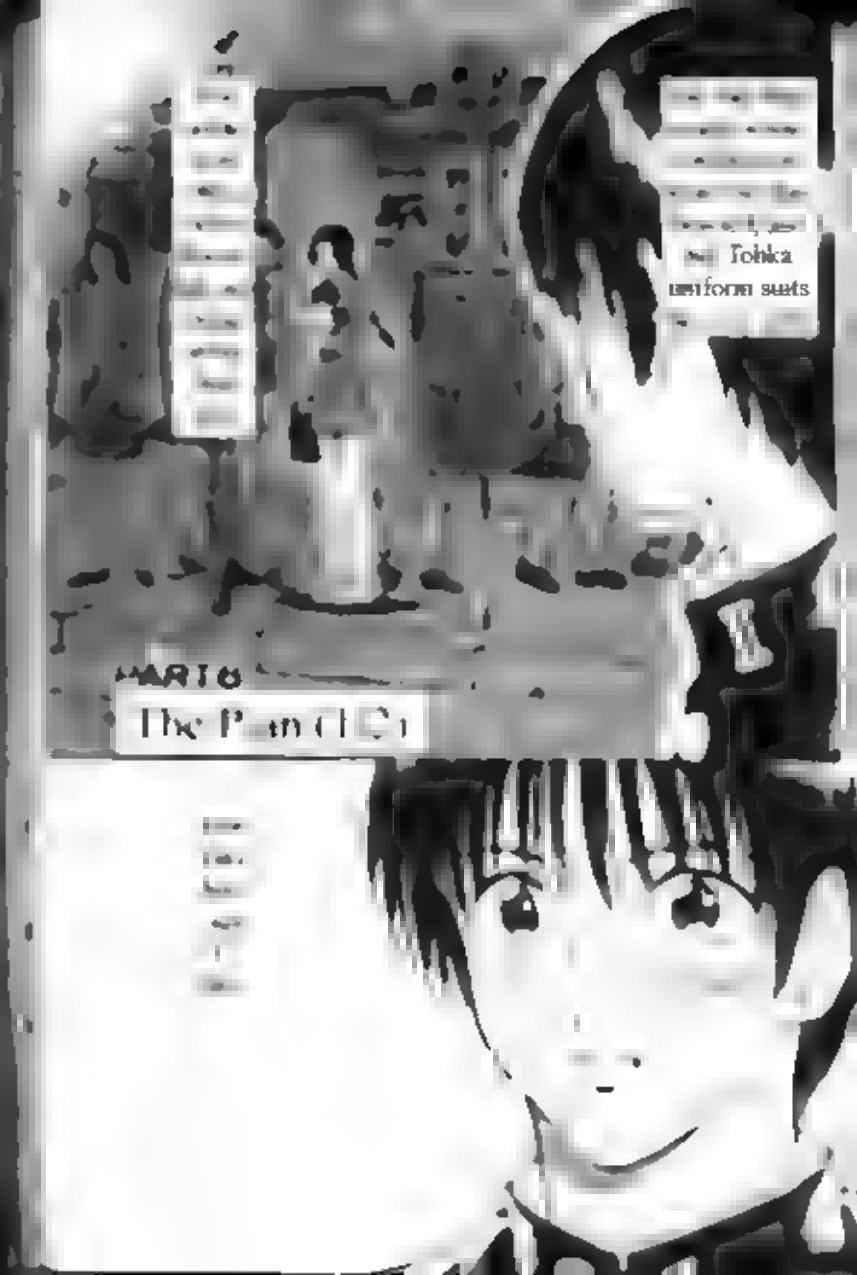
Hasn't become a problem yet?
How many times do I have to tell you? Don't write about people's private stories
This'll cause problems in the faculty room

I like how
Well it would modify the headline a little but

Oh Ichi
Just do this

It's not that I don't know how you feel but
But isn't this like propaganda for Miyagi?

Saying, "It's nice you have a young wife"
Well, yeah
Isn't everyone envious of you?
Well No but
It's not a bad feeling, is it?
Or students saying, "You're something else" and "How romantic"
Then there's absolutely no problem is there?
Uh-huh
Spare me Honjou
If this continues My reputation will
You'll just have to wait it out
Hahaha
Sempai gave me quite a lot of material to work with after all
I think it's best to write about you again next time sensei



Tohka
uniform suits

I've fallen in love with her at first sight

PART6

The Plan (1/2)

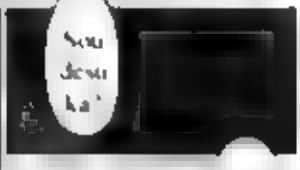
I don't worry. I'll make it clear who I am before I confess
Still, wouldn't it be as she thinks confessed to her?
I don't have time to play games here
Denied
I'm not playing games
Pretty please mean
And I'll be real quick about it
If I confess this way, I'd make quite an impression
In elementary I was mistaken for you and got severely scolded
!
You should stop this you know

Because we're identical twins
I confess
Once I wear your glasses and uniform, no one can tell we're different people
Why do you want to pretend to be me to get into Tokiha High
Uh
This

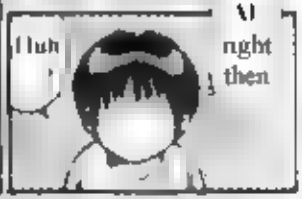
You can think what you want about me but even I don't confess to just any person
Yeah I'm serious

Because we look alike it's brought me nothing but trouble you know?
It's all because of you
I was punished by a senior and had to sweep floors
In junior high too

You're willing to switch with me now?
Just for one day I mean now



You don't ka?



Huh
Alright then

Now you want to come back and ruin me?
I was able to finally break free when we ended up in different senior highs

Wh aaa ait
Take down all the notes in class don't leave out a single word

But there's one condition

Oh I take-hito

This girl Are you serious about her

Chu' Wakatta' Never-mind then

The next day
At Tokyo Metropolitan Tohka Senior High

INOKUMA Shinobu

This year is the memorable year 2000. Over the past year, I've received numerous letters of thanks, so I'd like to acknowledge those readers who sent me mail. But because of time constraints, I probably managed to only reply to half of them. But don't fret, no matter how many years it takes, I will reply to every single one! Because your encouragement had given me so much willpower, I will to my very best at it! As for the serial, it's the start of the 21st century, that only means I have to try harder to keep it a 'brand new standard'. Please continue to support "Salad Days"

I lost~!
I lost to you enchanting smile!
Cameron Diaz-san, your smile...
Just one smile takes me back to the experience of my first date, the nervousness of my youth inclusive.
A second one will take me back to my confession, where I couldn't muster the courage to make my move.
A third takes me back to my state of depression after being rejected...
But a fourth will remind me that pain can ebb, and the present is proof of that.
Oh... why is your smile this enchanting?
Ever since I watched you in 'There's Something About Mary', I've been under your spell...
